

Don't Ask Why

Michael Johnson

Ask me any kind of question, anything you wanna know
Tell you all about my lovers, heartaches and laughter
From a long time ago

Ask me if I'm finally happy, I've never really been before
Ever since you happened to me, I've told all my secrets
I don't have any more

Ask me now and I won't tell a lie
Ask me how I've been feeling inside
But when somebody loves you and you know that it's true
Don't ask why

Ask me if I really mean it when I tell you I love you
Ask me will I please repeat it
I'll tell you forever if you want me to

Ask me now and I won't tell a lie
Ask me how I've been feeling inside
But when somebody loves you
And you know that it's true, don't ask why
Don't ask why
Don't ask why
