

# May You Never

Michael Johnson

May you never lay your head down  
Without a hand to hold  
May you never make your bed out in the cold

You're just like my very own brother to me  
You know that I love you true I do  
And you don't talk dirty behind my back  
And I know that there's those that do  
So please, won't you please, won't you bear it in mind  
Love is the lesson to learn in our time  
And please, won't you please, won't you bear it in mind for me

May you never lose your temper when you get in a barroom fight  
May you never lose your woman overnight

You're just like my very own sister to me  
You know that I love you true I do  
And you don't talk dirty behind my back  
And I know that there's those that do  
So please, won't you please, won't you bear it in mind  
Love is the lesson to learn in our time  
And please, won't you please, won't you bear it in mind for me

May you never lay your head down  
Without a hand to hold  
May you never make your bed out in the cold  
May you never lose your temper when you get in a barroom fight  
May you never lose your woman overnight  
May you never lose your woman overnight  
May you never lose your woman overnight
