

One Honest Tear

Michael Johnson

You wonder how long we'll last and when I see your fear
I want to answer forever with an honest tear
It's so easy to say what you're needing to hear
But I'd give anything sometimes for an honest tear

I can whisper your name and tell you how lucky I am
Oh, but nothing can say what one honest tear can

I still don't know why it's taken me all these years
To trust in something so simple as an honest tear

I'd move the earth for you and maybe I do now and then
Oh, but nothing can do what one honest tear can

One of these nights when I'm holding you near
You'll see all my love in one honest tear

I can whisper your name and tell you how lucky I am
Oh, nothing can say what one honest tear can
I'd move the earth for you and maybe I do now and then
Oh, but nothing can do what one honest tear can
