

One Note Samba

Michael Johnson

This is just a little samba built upon a single note
Other notes are bound to follow but the root is still this note
Now this new one is the consequence of the one we've just been
through

As I am bound to be the unavoidable consequence of you

There's so many people who just talk and talk and talk and don't
say nothing

And I have used up all the notes I know and at the end I've come
to nothing, nothing

So I come back to my first note as I must come back to you

I will pour into that one note all the love I have for you

Anyone who wants the whole show, re me fa sol la ti do

He will find himself with no show, you've got to play the note
you know
