

# Unconditionally

Michael Johnson

If it's me you want, I'm yours  
I'm a house of open doors  
Why should I be afraid to let you in  
But if you need to run, okay  
I'm not standing in your way  
You're not some prize for me to lose or win  
It's not some game I'm trying to play

'Cause I love you unconditionally, unconditionally  
Maybe you find it hard to understand  
You're in my heart wherever you go  
And I want you to know  
I love you babe, unconditionally

You say you've been hurt before  
And there's no way to know for sure  
As if I'm hiding something up my sleeve  
There's no bridge you need to burn  
'Cause I want nothing in return  
And it's little consequence what you believe  
There's no reward I'm trying to earn

'Cause I love you unconditionally, babe, unconditionally  
Maybe you find it hard to understand  
You're in my heart wherever you go  
And I want you to know  
I love you babe, unconditionally

When love is true  
No matter what you do  
It still believes in you, and I do

Unconditionally, unconditionally  
Maybe you find it hard to understand  
You're in my heart wherever you go  
And I want you to know  
I love you babe, unconditionally  
Unconditionally
