

# You've Got To Be Carefully Taught

Michael Johnson

You have got to be taught to hate and fear  
Day after day, year after year  
You have got to be drummed in your dear little ear  
You've got to be carefully taught

You have got to be taught before it's too late  
Before you are six, or seven or eight  
To hate all the people your relatives hate  
You've got to be carefully taught
