Did you ever want it? Did you want bad? Ohhh, my It tears me apart Did you ever fight it? All of the pain, so much power Running through my veins Bleeding, I'm bleeding My cold little heart Oh I, I can't stand myself And I know In my heart, in this cold heart I can live or I can die I believe if I just try You believe in you and I In you and I In you and I In you and I Did you ever notice I've been ashamed All my life I've been playing games We can try and hide it It's all the same I've been losing you One day at a time Bleeding, I'm bleeding My cold little heart Oh I, I can't stand myself And I know In my heart, in this cold heart I can live or I can die I believe if I just try You believe in you and I In my heart, in this cold heart I can live or I can die I believe if I just try You believe in you and I Maybe this time I can be strong

Maybe this time I can be strong
But since I know who I am
I'm probably wrong
Maybe this time I can go far
But thinking about where I've been
Ain't helping me start
