

# Hero

Michael Kiwanuka

Am I a hero?  
Am I a hero now?  
Am I a hero?  
Am I a hero now?  
Yeah

Please don't shoot me down  
I loved you like a brother  
It's on the news again  
I guess they killed another

Am I a hero?  
Am I a hero now?  
To die a hero  
Is all that we know now

Oh, we all get told to go along  
Oh, we know it's all for show  
We know, we know

Am I a hero?  
Am I a hero now?  
To die a hero  
Is all that we know now  
Yeah

(Ooh, yeah)  
(Ooh, yeah)

Am I a hero?  
A fallen hero now?  
Hear my sin, Lord  
Speak no evil now

My amigo  
No gun to reload now  
A broken people  
There go a negro now
