

# Love & Hate

Michael Kiwanuka

Standing now  
Calling all the people here to see the show  
Calling for my demons now to let me go  
I need something, give me something wonderful

I believe  
She won't take me somewhere I'm not supposed to be  
You can't steal the things that god has given me  
No more pain and no more shame and misery

You can't take me down  
You can't break me down  
You can't take me down

You can't take me down  
You can't break me down  
You can't take me down

Love and hate  
How much more are we supposed to tolerate  
Can't you see there's more to me than my mistakes  
Sometimes I get this feeling - makes me hesitate

I believe  
She won't take me somewhere I'm not supposed to be  
You can't steal the things that god has given me  
No more pain and no more shame and misery

You can't take me down  
You can't break me down  
You can't break me down

You can't take me down  
You can't break me down  
You can't take me down

I can see the place of trouble  
And I'm on the verge ( ? )  
For the love of everybody  
I need something more ( ? )

Now I feel some days of trouble  
I'm in a house of wall ( ? )  
For the love of everybody  
But behind a wall

Standing now  
Calling all the people here to see the show  
Calling all my demons now to let me go  
I need something to give me something wonderful
