

# Lowdown (part i)

Michael Kiwanuka

Early mornin' I rise  
To the locals  
Watchin' me  
Make my way through the night  
To the so called  
Jubilee

Lowdown  
I'm lowdown and out  
Lowdown  
I'm so down and out  
In this town

I've been wrong half the time  
Gotta wonder  
How I survived  
I've been losin' my touch  
I've fallen under  
I've had enough

Lowdown  
I'm lowdown and out  
Lowdown  
I'm so down and out  
In this town

Lowdown  
I'm lowdown and out  
Lowdown  
I'm so down and out  
In this town
