

Tell Me A Tale

Michael Kiwanuka

Tell me a tale that always was,
Sing me a song that I'll always be in,
Tell me a story that I can read,
Tell me a story that I believe.

Paint me a picture that I can see,
Give me a touch that I can feel,
Turn me around so I can be,
Everything I was meant to be.

Lord I need loving,
Lord I need good, good loving.
Lord I need good, good loving.

Show me some strength that I can use,
Give me a sound that I won't refuse,
Tell me story that I can read,
Tell me a story that I can believe

Tell me a tale that always was,
Sing me a song that I'll always be in,
Turn me around so I can be,
Everything I was meant to be.

Lord I need loving,
Lord I need good, good loving.
Lord I need good, good loving.
Lord I need good, good loving.
Lord I need good, good loving.
