

## Midwest Kid

Michael Marcagi

I wanna get lost in the ocean  
Where no one knows my name  
And all of my confusion  
Can wash out in a wave

I wanna go back to my front yard  
Just laughing like a child  
The sun over my warm skin  
Haven't felt that for a while, for a while

And all my fears  
I can't let go  
And I've been holding on  
For way too long  
And you don't believe me  
You never did  
I'm just another broken messed up midwest kid

I found you sprawled on the same floor  
Where I took my first steps  
I swear I thought you were dying  
Goodbye to innocence, in a sense

And all my fears  
I can't let go  
And I've been holding on  
For way too long  
And you don't believe me  
You never did  
I'm just another broken messed up midwest kid

And all the nights that I couldn't sleep  
The secrets that I couldn't keep  
It all comes rushing back to me  
I can't escape even in my dreams  
Oh and all the nights that I couldn't sleep  
The secrets that I couldn't keep  
It all comes rushing back to me, it all comes rushing back

And all my fears  
I can't let go  
And I've been holding on  
For way too long  
And you don't believe me  
You never did  
I'm just another broken messed up midwest kid
