

# Riversong

Michael Martin Murphey

Fell into  
A long lost dream  
Learned your tune  
From memory  
Visions flow  
Downstream in the wind  
Overflowing  
Love no end

Riversong  
Calling me again  
Can I sing along  
Till the sunset's end  
Riversong  
Can I float along  
Can I dance till dawn  
On a riversong  
Riversong

Ponies race  
Chase down the moon  
Walking rain  
In the sagebrush June  
Timberline  
Where the air is clear  
Cloudbursts in time  
Drifting back I hear

Riversong  
Calling me again  
Can I sing along  
Till the sunset's end  
Riversong  
Can I float along  
Can I dance till dawn  
On a riversong  
Riversong

Riversong  
Calling me again  
Can I sing along  
Till the sunset's end  
Riversong  
Can I float along  
Can I dance till dawn  
On a riversong  
Riversong  
Riversong
