

## Feel Your Body

Michael Mind Project

What about all the memories in our minds  
About the days when we stucked together  
(together)  
What about all the moments left behind  
When before end forever

Now there I can feel your body  
I can bring your soul  
Baby I want you to love me  
Like you did before

I let myself go!

This is the sex always  
All the girls shakin' sexy ass  
Just right here sex or sex  
Sunshine on the sexy back  
Right here right there  
P-p-party up in here  
Right here right there  
P-p-party up in there

I let myself go go go ooooh  
Go go go ooooh  
Go go go ooooh  
Go go go ooooh

This is the sex always  
All the girls shakin' sexy ass  
Just right here sex or sex  
Sunshine on the sexy back  
Right here right there  
P-p-party up in here  
Right here right there  
P-p-party up in here  
(up in here, up in here ...)
