

Give Me Love

Michael Mind Project

Like a stip road ass upon floor,
I was throwin back words.
Like an endless war, like a wild ball
it seem so hopeless.
I call on my knees, i said baby please, let's throw it all over yeah
but in your deep eyes can tempt with no disguise
you cry tears let me go, oh!

Chorus:

Give me love my ba-by
that's what I'm looking for
now I need you ba-ba-babe
I just want it more, ohho oh.
I just want it mooore.
I just want it moore.

In days, in nights, lost head and all pride
I felt so lonely.
Did you feel the same? Did you call my name?
I knew you were the only one.
I wrote you a letter, I hope you felt better,
hope you somehow understood me,
like Jesus said, but when all forgiveness will heal all wounds in time.

Chorus:

Give me love my ba-by
that's what I'm looking for
now I need you ba-ba-babe
I just want it more, ohh.
Give me love my ba-by
that's what I'm looking for
now I need you ba-ba-babe
I just want it more, ohh.

Uh nah nah nah, ohh
I just want it mooore.

Love love love love
you you you you you
You you you you you

Chorus:

Give me love my ba-by
that's what I'm looking for
now I need you ba-ba-babe
I just want it more, ohh.

Uh nah nah nah, ohh
I just want it mooore.
Uh nah nah nah, ohh
I just want it mooore.
