Razorblade

Michael Mind Project

Oh, here you are
Dancing on the edge
Ohh, laze or charm
Pain is all you gave.

I'm warning you, I'll giving that hate
First we love then we hate
I'm warning you, this isn't your faith
Leave before it's too late.

Chorus:
Have you ever been in love before?
Hasn't all that been we're dying for
Don't you know how to walk away?
Don't you know now it's a razorblade, razorblade, razorblade
Ohh ohh, razorblade, razorblade ohh.

Oh, here you are
Dancing on the edge
Ohh, laze or charm
Pain is all you gave.

I'm warning you, I'll giving that hate
First we love then we hate
I'm warning you, this isn't your faith
Leave before it's too late.

Chorus:
Have you ever been in love before?
Hasn't all that been we're dying for
Don't you know how to walk away?
Don't you know now it's a razorblade, razorblade, razorblade
Ohh ohh, razorblade, razorblade ohh.

Razorblade, razorblade, oh ohh
Razorblade, razorblade, oohh
