

Go Hard

Michael Monroe

Nobody gave me the license to win
All hard work and discipline
All my life I had this dream
That some day I'd come in first and I did
The thrill of danger around every curve
I still got the nerve
So many said I ain't good enough
But success speaks louder than doubt
*) GO HARD
PUSH IT ALL THE WAY
GO HARD
GO HARD
Can't express the way I'm thinkin' now
It could scare everybody away
Bin' so busy surviving I forgot how to live
One more race to the top and that's it
Dangerous but worth the risk
I was built for this
Got my balls and my word I brake for no one
Stay strong, whatever comes
GO HARD
FINISH WHAT YOU START
GO HARD
GO HARD
*) Repeat
GO HARD
NO MATTER WHAT THEY SAY
GO HARD
GO HARD
