

# Hollywood Paranoia

Michael Monroe

Oper bars and you're feelin' stars  
You know, I don't care about  
I don't care about  
Plastic punks and the legless drunks, you know  
You know, I don't care about  
I don't care about  
That  
It's time to bury all the old ghosts  
The ones that never made it back  
I hear you calling  
But I ain't going out like that  
It's a long way down, a self destroyer  
It's a Hollywood paranoia  
When they call the cops  
Better call your lawyer  
You got the Hollywood paranoia  
Paranoia, now  
Running drugs in your bathroom's stokes  
You know, I don't care about  
I don't care about  
All your dopes with your velvet hopes  
You know, I don't care about  
I don't care about  
That  
I'm gonna bury all the old ghosts  
Who was never made it back  
You look invaded  
And I ain't going out like that  
It's a long way down, a self destroyer  
It's a Hollywood paranoia  
When they call the cops  
Better call your lawyer  
You got the Hollywood paranoia  
Paranoia  
It's got to losing touch with sanity  
Trying in reality  
Givin' in the sanity now  
And I got no need for pardon line  
Seen it all a million times  
Talking like a chatterbox  
Getting me off, sick of you  
It's a long way down, a self destroyer  
It's a Hollywood paranoia  
When they call the cops  
Better call your lawyer  
You got the Hollywood paranoia  
When the fear appears, all start to bore ya  
You got the Hollywood paranoia  
'Cause I walked that line many times before ya  
You got the Hollywood paranoia  
Paranoia  
Paranoia  
Paranoia  
Now
