It's A Lie

Michael Monroe

Well come on!
Well the kids want a little action
The kids want a little fun
The kids all have to get their kicks
Before the evening's done
CHORUS
Cause they're going to
Highschool Rah, Rah, Rah
Highschool Sis Boom Bah
Highschool Hey Hey Hey
You better let them have their way. Yeah!
They only want to shake it up baby
Dance to the rockin' band
They only want a little excitement
They like to get a little out of hand
REPEAT CHORUS
Now! Uh!
Let's go!
The kids know what the deal is
They're getting farther out every day
We're gonna be takin' over
You better get out of the way
REPEAT CHORUS:
Cause they're going to
Highschool Rah, Rah, Rah
Highschool Sis Boom Bah
Highschool Hey Hey Hey
You better get out the way
Highschool Rah, Rah, Rah
Highschool Cha Cha Cha
Highschool Yeah, Yeah, Yeah, I said
Highschool Rah, Rah, Rah
Highschool My, My, My
Highschool Sis Boom Bah
Highschool Yeah, Yeah, Yeah
Highschool Hey Hey Hey
Etc.
