Michael Monroe

Little Troublemaker  
Always on the run  
Why do you come around here  
Lookin for your fun  
You don't have to worry  
Your daddy makes his living with a gun  
So if you're looking for some trouble  
Baby I'm the one  
Little Troublemaker  
That's what your name should be  
Put your hand in my pocket now  
Come on see about me  
You don't have to worry  
I'm gonna give you my back door key  
So if you're lookin' for some trouble  
Take a look at me  
Little Troublemaker  
Make some trouble!  
Little Troublemaker  
I know just who you are  
I've got your name in my phone book, honey  
Right by a movie star  
You won't have to worry, worry, worry  
I'll pick you up in a big fast car  
And we'll go looking for some trouble, man  
Yeah we will  
Just a Little Troublemaker  
Lookin' for a real thrill  
Little Troublemaker  
Hey Little Troublemaker  
Little Troublemaker
