

Love And Light

Michael Monroe

Whatcha gonna tell me
I don't already know?
Whatcha gonna do?
You just do as you're told
They ain't gonna tell you
They're only gonna lie
When you ask for reasons
As to why, why, why?
Why, why, why?
Well, they lie...
JUST SEND ME SOME LOVE
SEND ME SOME LIGHT
SO I CAN SHINE
SHINE LIKE A STAR
SEND ME LOVE AND LIGHT
LOVE AND LIGHT
LOVE AND LIGHT
Don't underestimate
The power of the mind
Thinking only good
In a world unkind
Who ever told you
That life is always fair
Just don't give in to darkness
Send out Love and Light
Get back Love and Light
Love and Light
SEND ME SOME LOVE
SEND ME SOME LIGHT
THEN WE CAN SHINE
SHINE LIKE THE STARS
SEND ME LOVE AND LIGHT
LOVE AND LIGHT
LOVE AND LIGHT
SPREAD THE WORD AROUND
LET'S LIGHTEN UP THE WORLD
MAKE EVERYBODY SHINE
SHINE LIKE THE STARS
SEND ME LOVE AND LIGHT
SEND OUT LOVE AND LIGHT
I NEED LOVE AND LIGHT
LOVE AND LIGHT
LOVE AND LIGHT
LOVE AND LIGHT
