

Machine Gun Etiquette

Michael Monroe

I remember what you said
Second time around
Don't you wish that we weren't there
Second time around
No more getting pushed around
Second time around
Thought that we'd gone underground
Second time around
Now it's time for you to see
Second time around
The world can look so differently
Second time around
Really famous stinkin' rich
Second time around
Straight up there without a hitch
Second time around
Ooh second time
Ooh sick and tired
Ooh sick and tired, ooh...
Now i remember what you said
Second time around
Don't you wish that we weren't there
Second time around
No more getting pushed around
Second time around
Back to haunt you with my sound
Second time around
Ok!
