

Superpowered Superfly

Michael Monroe

Community sleeps, tough it needs no release
It likes to disappear for a while
Licking its tyres and hiding the virus
We believe everything is fine
Maybe they blocked the recievers?
She wasn't lying, she just didn't believe us
But there was so much wrong that we broke off and we drifted away
IN THE SKY WHERE SOCIETY DENIES
WE ARE ALRIGHT JACK
JUST PUT THE CALENDAR BACK
TO THAT NEW YEAR'S EVE
WHEN THEY FEARED AND BELIEVED
IN THE LIES WE DELIVERED
WITH A DRINK AND A WINK AND A SMILE
WHEN WE WAS SUPERPOWERED SUPERFLY
With the papers released somebody called the priest
While someone else called the CIA
And with their blacked-out screens they were clear of being seen
Until the cops towed the car away
Oh, how do they stop all and sundry
From flying into a frenzy?
Well, it isn't on Fox yet
It's only on the internet
IN THE SKY WHERE SOCIETY DENIES
WE ARE ALRIGHT JACK
JUST PUT THE CALENDAR BACK
TO THAT NEW YEAR'S EVE
WHEN THEY FEARED AND BELIEVED
IN THE LIES WE DELIVERED
WITH A DRINK AND A WINK AND A SMILE
WHEN WE WAS SUPERPOWERED SUPERFLY
Maybe they blocked the recievers?
She wasn't lying, she just didn't believe us
But there was so much wrong that we broke off and we drifted away
IN THE SKY WHERE SOCIETY DENIES
WE ARE ALRIGHT JACK
JUST PUT THE CALENDAR BACK
TO THAT NEW YEAR'S EVE
WHEN THEY FEARED AND BELIEVED
IN THE LIES WE DELIVERED
WITH A DRINK AND A WINK AND A SMILE
WHEN WE WAS SUPERPOWERED SUPERFLY
