

## 2 Powers

Michael Nau

Baby come out the blue  
You're the whole world to me  
Plus it's better to be two powers  
Together through the blue hours  
Until the sun gets through

Baby come out the blue  
Baby come out the blue  
Baby come out the blue  
The whole love will be  
Ready to see the whole touch  
Ready to reach the whole touch  
Waiting here for you

Baby come out the blue  
Baby come out the blue  
Baby come out the blue  
So the whole love can be

Baby come out the blue  
Baby come out the blue
