

## Accompaniment

Michael Nau

As a blade of grass  
Where the breezes pass  
As a drowning fool  
In the swimming pool  
As a floating ash  
Above the fire's flash  
I'm still learning to fit  
Inside of your accompaniment

As a wobble-stone  
In a loving home  
Like one afternoon  
In the living room  
As a run of the mill  
In orchestral trill  
I'm still learning to fit  
Inside of your accompaniment

As a piece of sand  
On a beach too grand  
As an empty space  
In the arms of grace  
As one tiny bit  
Way down in the orchestra pit  
I'm still learning to fit  
Inside of your accompaniment  
I'm still learning to fit  
Inside of your accompaniment
