

# Can't Take One

Michael Nau

There goes something  
Yep, there it goes  
Here goes nothing  
Just the way it goes

Can take a feeling  
And take the way  
Then take the time  
You couldn't save

But can't take one  
Can't take one  
Can't take one  
Thing

Ain't it something  
If it's anything  
"Hey, what's up?" Nothing  
Thing by thing

Store the vibration  
And the zone  
Use the doorway  
As they roll

But can't use one  
Can't use one  
Can't use one  
Thing

It's a beautiful swim  
It's a beautiful swim  
Beautiful swim  
When you're swimming in the beautiful swim
