

Far The Far

Michael Nau

An echo on an echo
A star on a star
They will be together
However far the far

Being in the morning
Being in the night
Being in the shadow
Being in the light

Nothing between our hearts
Nothing between our pain
Nothing between our joy
Nothing between our name

A beat on a beat
A fire in a fire
However deep the deep
However the high the wire

A river in a river
A star on a star
They will be together
However far the far

Nothing between our hearts
Nothing between our pain
Nothing between our joy
Nothing between our same

A wave on a wave
