

# Maralou

Michael Nau

Which roads goes  
Straight and through  
To the door  
Maralou?

Which tomorrow  
Has she gone to?  
Wait a day  
Please, Maralou

For today  
To come to you  
This love is true  
Maralou

It cannot win  
It cannot lose  
Just tries for ever  
Maralou

The tallest sun  
We ever new  
Came out of the blue  
'Twas Maralou

And all the while  
Our love just grew  
Bend your smile  
Again, Maralou

Wherever you stand  
Whatever you do  
Be and do  
As Maralou

Wherever you stand  
Whatever you do  
Be and do  
As your Maralou

Wherever you stand  
Whatever you do  
Be and do  
As your Maralou
