

# Strange Looking Feeling

Michael Nau

Still strange as ever  
And no surprise  
Who could slight  
What so tightly tied  
Long distance driver  
Still up for the ride  
The whole way survivor  
At least half the time  
Only time

Still ain't out of phases  
To try  
Still ain't out of phases

Strange looking feeling  
All over the shade  
Walls, floor, and ceiling

Long distance echo  
Still modulates  
Sooner or later  
Will syncopate

Still ain't out of highway  
To take  
Still ain't out of highway  
To take

Long distance driver  
Long distance driver  
Long distance driver  
Long distance driver  
Long distance driver  
Long distance driver  
Long distance driver  
Long distance driver  
Long distance driver  
Long distance driver
