

# While You Stand

Michael Nau

I am a mountain  
High as can be  
Yes, and I am an ocean while you  
While you stand by me  
Oh, but I am the fool you know  
Anytime you don't  
No telling why I'll go or where I won't  
Where I won't

I knew the starlight  
Laid by its bed  
Felt all its waterfalls  
Falling against my head  
Well it don't come easy, they say  
It always did for me  
But tomorrow's on its way  
So I guess we'll see  
What we see

I am a mountain  
High as can be  
Yes, and I am an ocean  
While you stand by me  
Oh, but I am the fool you know  
Anytime you don't  
No telling why I go or where I won't  
Where I won't
