

Your Jewel

Michael Nau

Hold not your jewel too lazily
Treat not its heart so carelessly
Even say today will always stay that way
Is already tomorrow the fool?
Inside your heart you know what's true
And what good fool lied inside of you

Oh it cannot lose (cannot lose)
Oh it's got to be used
It's got to be used

Oh it cannot lose (cannot die)
But its got be tried
It's got to be tried

What darkness could fool the light inside?
