

# I Fall to Pieces

Michael Nesmith

I fall to pieces  
Each time I see you again  
I fall to pieces  
How can I be just your friend?

You want me to act like we've never kissed  
You want me to forget (to forget)  
Pretend we never met (never met)  
And I've tried and I've tried  
But I haven't yet  
You walk by and I fall to pieces

I fall to pieces  
Each time someone speaks your name  
I fall to pieces  
Time only adds to the flame

You tell me to find someone else to love  
Someone who'll love me too (love me too)  
The way you used to do (used to do)  
But each time I go out with someone new  
You walk by and I fall to pieces  
You walk by and I fall to pieces
