

Best Part

Michael Pangilinan

Oh, ey

You don't know babe
When you hold me
And kiss me slowly
It's the sweetest thing
And it don't change
If I had it my way
You would know that you are

You're the coffee that I need in the morning
You're my sunshine in the rain when it's pouring
Won't you give yourself to me
Give it all, oh

I just wanna see
How beautiful you are
You know that I see it
I know you're a star
Where you go I'll follow
No matter how far
If life is a movie
Then you're the best part, oh
You're the best part

It's this sunrise
And those brown eyes
You're the one that I desire
When we wake up
And then we make love
It makes me feel so nice

You're my water when I'm stuck in the desert
You're the Tylenol I take when my head hurts
You're the sunshine on my life

I just wanna see
How beautiful you are
You know that I see it
I know you're a star
Where you go I'll follow
No matter how far
If life is a movie
Then you're the best part, oh

If you love me won't you say something
If you love me won't you
If you love me won't you say something
If you love me won't you
Love me, won't you
If you love me won't you say something
Love me, won't you say something, baby
Please say
