

Burn and You Got It Bad

Michael Pangilinan

It's gonna burn for me to say this
But it's coming from my heart
It's been a long time coming
But we done been fell apart
Really wanna work this out
But I don't think you're gonna change ya
I do, but you don't
Think it's best we go our separate ways

Tell me why I should stay in this relationship
When I'm hurting, baby? I ain't happy, baby
Plus there's so many other things I gotta deal with
I think that you should let it burn

When your feeling ain't the same
And your body don't want to
But you know
Gotta let it go
'Cause the party ain't jumpin' like it used to
Even though this might bruise you
Let it burn
Gotta let it burn

Deep down you know it's best for yourself
But you hate the thought of her being with someone else
But you know that it's over
You know it was through
Let it burn
Let it burn
Gotta let it burn

When you feel it in your body
You found somebody who makes you change your ways
Like hanging with your crew
Said you act like you're ready
But you don't really know
And everything in your past, you wanna let it go

I've been there, done it, hanged around
After all that, this is what I found
Nobody wants to be alone
If you're touched by the words in this song
Then baby

You got it, you got it bad
When you're on the phone
Hang up and you call right back
You got it, you got it bad
If you miss a day without your friend
Your whole life's off track
Know you know you got it bad when you're stuck in the house
You don't wanna have fun
It's all you think about
You got it bad when you're out with someone
But you keep on thinkin' 'bout somebody else

I'm twisted 'cause one side of me

Is tellin' me that I need to move on
The other side out
When I break down and cry

I'm twisted 'cause one side of me
Is tellin' me that I need to move on
The other side out
When I break down and cry

Can you feel me burning?

You got it, you got it bad
You got it, you got it bad

I'm twisted 'cause one side of me
Is tellin' me that I need to move on
The other side out
When I break down and cry
