

Let Me Be The One

Michael Pangilinan

Somebody told me you were leavin'
I didn't know
Somebody told me you're unhappy
But it doesn't show

Somebody told me that you fell out of love from me
So I'm settin' you free

Let me be the one to break it up
So you won't have to make excuses
We don't need to find a set up where
Someone wins and someone loses

We just have to say our love was true
But has now become a lie
So I'm tellin' you I love you one last time
And goodbye

Just turn around and walk away
You don't have to live like this
But if you love me still then stay
Don't keep me waiting for that final kiss

We can work together through this test
Or we can work through it apart
I just need to get this off my chest
That you will always have my heart
Let me be the one

Let me be the one to break it up
So you won't have to make excuses
We don't need to find a set up where
Someone wins and someone loses

We just have to say our love was true
But has now become a lie
So I'm tellin' you I love you one last time
Oh I'm tellin' you I love you one last time
Oh I'm tellin' you I love you one last time
And goodbye, goodbye
And goodbye
