Send me your location  
Let's focus on communicatin' 'cause  
I just need the time and place to come through  
(A place to come through)  
Send me your location  
Let's ride the vibrations  
I don't need nothin' else but you

At times I wonder why I fool with you  
This is new to me, this is new to you  
Initially, I didn't wanna fall for you  
Gather my attention it was all for you, so  
Don't take advantage, don't leave my heart damaged  
To understand that things go a little bit better when you plan  
it

So won't you send me your location  
Let's focus on communicatin' 'cause  
I just need the time and place to come through  
Send me your location  
Let's ride the vibrations  
I don't need nothing else but you ooh yeah

I don't wanna fall in love off of subtweets yeah  
So let's get personal  
I got a lot of cool spots that we can go  
Tell me what's the move and I got you  
I'm only acting like this 'cause I like you  
Just give me the vibe to slide then  
And then I'd make you mine by the night

Ride, ride, ride, come and vibe with me tonight  
I don't need nothing else but you  
Ride, ride, ride, come and vibe with me tonight

Send me your location  
Let's focus on communicatin' 'cause  
I just need the time and place to come through  
Send me your location  
Let's ride the vibrations  
I don't need nothing else but you you you you you
