

Daylight

I wake up feeling like you won't play right  
I used to know, but now that shit don't feel right  
It made me put away my pride

So long

You made a fella wait for some, so long  
You make it hard for boy like that to go on  
I'm wishing I could make this mine, oh

If you want it, yeah  
You can have it, oh, oh, oh  
If you need it, ooh  
We can make it  
If you want it  
You can have it

But stay woke  
But stay woke  
Someone's creepin'  
They gon' find you  
Gon' catch you sleepin', yeah

(Stay woke)  
If you want it, you can have it  
(Stay woke)  
You can have it, if you need it  
(Stay woke)  
You better believe in something baby, we can make it  
(Stay woke)  
If you want it, you can have it, have it, have it, baby
