

Earthquake

Michael Patrick Kelly

I'm so high and I don't feel like coming down
Boulevard full of stars, selfies in the rent-a-car
But there's nobody moving the ground
Movie scene, Hollywood, nothing ever seemed so good
But really I'm just lost in the crowd

And they keep saying
I'm so high and I don't feel like coming down, yeah
Down, yeah
Oh I'm so high and I don't feel like coming down, yeah

You make me shake like an earthquake (Earthquake)
You make me shake like an earthquake (Earthquake)
And I can't fight it
As everything comes up to the surface (Surface)
We're broken, but the pieces are perfect (Perfect)
And I feel so alive, yeah

What do you say we hit the road?
Searching for the heart of gold
We'll kick in doors and open the gates
I played the game, fortune, fame
But nothing ever felt this way
Now you're the only drug in my veins

And I keep saying
I'm so high and I don't feel like coming down, yeah
Down, yeah
Oh I'm so high and I don't feel like coming down, yeah

You make me shake like an earthquake (Earthquake)
You make me shake like an earthquake (Earthquake)
And I can't fight it
As everything comes up to the surface (Surface)
We're broken, but the pieces are perfect (Perfect)
And I feel so alive, yeah

Hey

Hoo-hoo
Hoo-hoo
Hoo-hoo
Hoo-hoo

I'm so high and I don't feel like coming down, yeah
Down, yeah
Oh I'm so high and I don't feel like coming down

You make me shake like an earthquake (Earthquake)
You make me shake like an earthquake (Earthquake)
And I can't fight it
As everything comes up to the surface (Surface)
We're broken, but the pieces are perfect (Perfect)
And I feel so alive, yeah

Yeah

Hoo-hoo
Hoo-hoo
Hoo-hoo
Hoo-hoo
Hoo

Hey
