

We're fightin', still fightin'  
Repeating history  
Alright then, it's alright if  
You don't think like me  
But your problem is my problem  
Don't you feel the ricochet?  
If we turn against each other  
That's not a game we wanna play

Who am I? Who are you? Who are we?  
All human beings  
Who am I? Who are you? Who are we?  
What do you see?

If you see my iD, iD, iD  
More than a passport, I'm unique  
See my iD, iD, iD, you can be you and I'll be me  
Let me see your iD, iD, iD  
I see it in your fingerprint, you're unique  
See your iD, iD, iD  
You can be you and I'll be me

I'm hoping you're open  
To understand me  
You know I'm outspoken, no hidden plan B  
It's not cool to know that  
Your house could be your grave  
Spread love amongst each other  
And we could watch our children play

Who am I? Who are you? Who are we?  
All human beings  
Who am I? Who are you? Who are we?  
What do you see?

If you see my iD, iD, iD  
More than a passport, I'm unique  
See my iD, iD, iD, you can be you and I'll be me  
Let me see your iD, iD, iD  
I see it in your fingerprint, you're unique  
See your iD, iD, iD  
You can be you and I'll be me

ID, iD, iD, you can be you and I'll be me  
ID, iD, iD, you can be you and I'll be me  
ID, iD, iD, you can be you and I'll be me  
ID, iD, iD, you can be you and I'll be me

Stop your fighting, give your brother some help and  
Do you believe in something higher than yourself? And  
You full of love that mean you know you're full of wealth  
Got to lace up your shoes buckle your belt, weh mi guh suh then  
You see my iD then you know that we are one and  
You see my iD does it matter where we from and  
So at the end of day a man is just a man  
My identification, weh mi guh suh then

Who am I? Who are you? Who are we?  
All human beings  
Who am I? Who are you? Who are we?  
What do you see?

If you see my iD, iD, iD  
More than a passport, I'm unique  
See my iD, iD, iD, you can be you and I'll be me  
Let me see your iD, iD, iD  
I see it in your fingerprint, you're unique  
See your iD, iD, iD  
You can be you and I'll be me
