

## Last Words

Michael Patrick Kelly

I killed the president  
'Cause he was an enemy of the people  
Mama, mama, mama  
Kill me  
My fun days are over  
That will show my head to the people  
It is worth showing, one world at a time

Now comes the mystery  
Now comes the mystery  
(Oh ow, oh ow, oh ow)  
Now comes the mystery  
Oh Lord, my poor soul  
I'm losin' it, I'm losin' it, I'm losin' it, I'm losin' it

Is it my birthday or am I dyin'?  
Stay for the sign  
Mama, mama, mama  
Oh God, here I go  
Cool it, brothers  
So little done, so much to do  
Pardonnez-moi, monsieur  
One world at a time

Now comes the mystery  
Now comes the mystery  
(Oh ow, oh ow, oh ow)  
Now comes the mystery  
Oh Lord, my poor soul  
I'm losin' it, I'm losin' it, I'm losin' it, I'm losin' it

Oh wow, oh wow, oh wow  
Oh wow, oh wow, oh wow  
Oh wow, oh wow, oh wow  
Certain butterfly  
Oh wow, oh wow, oh wow  
Today  
Oh wow, oh wow, oh wow  
Today you will be (oh wow, oh wow, oh wow)  
In paradise  
Oh wow, oh wow, oh wow  
Into your hands  
Oh wow, oh wow, oh wow  
Oh wow, oh wow, oh wow  
It is finished
