

# Lazarus

Michael Patrick Kelly

I've been sleepin'  
And I've been fadin' away  
Needed healin'  
Was caught up tryin' to kill the pain  
Yeah

I heard a voice inside saying,  
"It's time to  
Come out come out come out  
Come out come come out come out  
Yeah won't you  
Come out come out come out  
Come out come come out come out"

Got a feelin' someone's gonna take me home  
I'm believin' I'm-a gonna find you  
Got a feelin' someone's gonna take me home  
Lazarus Rising, I'm coming alive  
Yeah

Wake 'em up, wake 'em up  
Wake 'em up, wake 'em up

No more weapin'  
You kissed my tears all away  
I hear you breathing  
Lightning crashed as you came  
Yes you came

Still hear the voice inside saying, "It's time to  
Come out come out come out  
Come out come come out come out  
Yeah won't you  
Come out come out come out  
Come out come come out come out"

Got a feelin' creeping up in my bones  
I'm believin'  
No one's gonna bind me  
Got a feeling creeping up in my bones  
Lazarus rising, I'm coming alive  
Yeah

Huuuuu-uu  
Only you can save me  
Huuuuu-uu  
Only you'll embrace me  
Huuuuu-uu  
Save me

Got a feelin' someone's gonna take me home  
I'm believin' I'm-a gonna find you  
Got a feelin' someone's gonna take me home  
Lazarus rising, I'm coming alive

Come out come out come out  
Come out come come out come out

Yeah won't you  
Come out come out come out  
Come out come out come out

Got a feelin' creeping up in my bones  
I'm believin'  
No one's gonna bind me  
Got a feeling creeping up in my bones  
Lazarus rising, I'm coming alive  
Yeah

Wake 'em up, wake 'em up  
Wake 'em up, wake 'em up
