

Ruah

Michael Patrick Kelly

Ruah, Ruah, Ruah, Ruah

Ccc come come, come

Ccc come come, come

Ccc come come, come

Ccc come come, come

Ruah, Ruah, Ruah, Ruah

Ccc come come, come

Ccc come come, come

Ccc come come, come

Ccc come come, come

Come and overshadow me

Take me to higher ground

Come and overshadow me

Turn this world upside down

Come and overshadow me

Break the wall mighty sound

Waterfalls coming down

Break the wall windy sound

Fireballs raining down

Come and overshadow me

Take me to higher ground

And overshadow me

Talk to me I hear your sound

And overshadow me

Break the wall mighty sound

Waterfalls coming down

Break the wall windy sound

Fireballs raining down

Come
