

So Beautiful

Michael Patrick Kelly

The ruby stone reflects your heart
O gentle lover in the art
I see in the dark
O little diamond, shining star

You're so beautiful
O so luminal
You're unbreakable
O, so, beautiful

I saw you then, I see you now
O bitter the truth in your eyes
You clear the chaos
O day of days, night of nights

You're so beautiful
O so luminal
You're unbreakable
O so beautiful
Beautiful, beautiful, beautiful
Beautiful, beautiful, beautiful
Beautiful, beautiful, beautiful
Beautiful, beautiful, beautiful
Beautiful, beautiful, beautiful

You're so beautiful
O, so, luminal
