

Throwback

Michael Patrick Kelly

We sang a song from the 70's
You talked to me like a melody
And we were dreamers chasing the sky

I just wanna throwback
When I used to know that
You and I were Co-Stars
Oh my my my
I just wanna go back
To the magic moment
When I used to know that
You're my my mine
Oh, she's got that you know what
She's got that "Oh my God"
I need a throwback
When I used to know that
You and I were Co-Stars
Oh my my my

We sang a song from the 70's
You talked to me like a melody
And we were dreamers chasing the sky
So high, so high, yeah
We danced along to an evergreen
Still in my head like a symphony
Oh, we were dreamers chasing the sky

I just wanna throwback
When I used to know that
You and I were Co-Stars
Oh my my my
I just wanna go back
To the magic moment
When I used to know that
You're my my mine
Oh she's got that you know what
She's got that "Oh my God"
I need a throwback
When I used to know that
You and I were Co-Stars
Oh my my my
Oh my my my

We sang a song from the 70's
You talked to me like a melody
And we were dreamers chasing the sky
So high, so high, yeah
We danced along to an evergreen
Still in my head like a symphony
Oh, we were dreamers chasing the sky

She got hair like gold
And eyes like the summer
We danced all night to Carlos Santana
She stole my heart
A dream like no other
High, so high, so high, yeah

She got hair like gold
And eyes like the summer
We danced all night to Carlos Santana
And we were dreamers chasing the sky
