

Alright

Michael Schulte

Wipe those tears away from your eyes
Just take my hand you don't have to cry it'll be alright
I'll make it alright
Don't let the world get you down
Reach for the love that's all around
It'll be alright baby we'll make it alright
I'll pick you up when you're feeling down
I'll put your feet back on solid ground
I'll pick you up and I'll make you strong
I'll make you feel like you still belong
Cause it's alright, yeah it's alright let me make it alright
, make it alright
Stay with me tonight, stay with me tonight
Sometimes the words well their just not enough
Afraid of feeling and in need of love
To make it alright, baby, I'll make it alright
Where will you run to where will you hide
I know the pain comes from deep down inside but
it'll be alright baby we'll make it alright Baby
Let me make it alright, Make it alright
Let me make it alright, Make it alright
Stay with me tonight, stay with me tonight
It's alright, yeah it's alright
It's alright, yeah it's alright
It's alright, Stay with me tonight
I'll pick you up when you're feeling down
I'll put your feet back on solid ground
I'll pick you up and I'll make you strong
I'll make you feel like you still belong
Cause it's alright, yeah it's alright let me make it alright
, make it alright
Stay with me tonight, stay with me tonight
It's alright, yeah it's alright
It's alright, yeah it's alright
It's alright, Stay with me tonight
It's alright, yeah it's alright
It's alright, yeah it's alright
It's alright, Stay with me tonight.
