

# Bye Bye Bye

Michael Schulte

Yeah, yeah

Monday's feelin' like it breaks my heart  
On Tuesday thinkin' of a brand-new start  
But Wednesday's bringin' back the memories  
Your love, I never let it go, oh-oh-oh  
Thursday my body's spinning round and round  
On Friday my heart is beatin' loud, so loud  
These days, they always take you miles away  
But now we leave it all behind, oh-oh-oh

From Hamburg to L.A., Amsterdam to Saint-Tropez  
Maybe we can run away and then bye, bye, bye  
From London to Berlin, to Miami, Rome, Beijing  
Maybe we can run away, and then bye, bye, bye

Take me  
Oh, to a place without a maybe  
Or I could lie, lie, lie, lie, lie  
Lately  
Oh, I've been cravin' you so badly  
Don't break me do-do-do, do-do-down

Bye, bye, bye  
Do-do-do, do-do-down

Monday, thinkin' 'bout the highs and lows  
It's Tuesday when I feel it in my bones  
And Wednesday, I just really need you here  
My mind will never let it go, oh-oh-oh  
Thursday, you were gonna take my heart  
On Friday tellin' me that it's true love  
These days they always take you miles away  
But now we leave it all behind, oh-oh-oh

From Hamburg to L.A., Amsterdam to Saint-Tropez  
Maybe we can run away and then bye, bye, bye  
From London to Berlin, to Miami, Rome, Beijing  
Maybe we can run away, and then bye, bye, bye

Take me  
Oh, to a place without a maybe  
Or I could lie, lie, lie, lie, lie  
Lately  
Oh, I've been cravin' you so badly  
Don't break me do-do-do, do-do-down

Bye, bye, bye  
Bye, bye, bye
