

# Rusted Blood

Michael Schulte

Show me love  
I need your affection  
'Cause I don't have any  
I have been lonely for awhile

Take my heart  
It's not mine to keep  
Let my rusted blood flow  
Loving you

Oh, let rivers flow yeah  
I call it out  
'Cause I'm lost without love, oh  
I need a share

Blow my mind  
And then make me feel  
What I've never had  
But want so bad

Oh, let rivers grow yeah  
I call it out  
'Cause I'm lost without love, oh  
I need a share

Pump me up  
With needles full of poison  
And line me up  
With hypnotizing colors

Take my heart  
It's not mine to keep  
Let my rusted blood flow  
Loving you

Oh, let rivers flow yeah  
I call it out  
'Cause I'm lost without love, oh  
I need a share

Blow my mind  
And then make me feel  
What I've never had  
But want so bad

Oh, let rivers grow yeah  
I call it out  
'Cause I'm lost without love, oh  
I need a share

Ooh, oh!

Take my heart  
It's not mine to keep  
Let my rusted blood flow  
Loving you

Oh, let rivers flow yeah  
I call it out  
'Cause I'm lost without love, oh  
I need a share

Blow my mind  
And then make me feel  
What I've never had  
But want so bad

Oh, let rivers grow yeah  
I call it out  
'Cause I'm lost without love, oh  
I need a share
