

Someone

Michael Schulte

You're sat in the corner
Eyes on your phone
You're sat right next to me
But somehow, I just feel alone

Ask if you're listening
What's on your mind
You say, I wouldn't understand
But I wish you would let me try

Are you running in circles
With nowhere to go
Are you lost and afraid
But you can't let it show

Sat in the corner
Eyes on your phone
But you don't have to go
Through this on your own

Cause everybody needs a little help sometimes
Everybody needs someone to call on
Everybody gets a little lost inside
But it's alright, yeah it's alright
I know it hurts but I swear it gets better
So don't doubt yourself, it don't last forever
Everybody needs a little help sometimes
Everybody needs someone

You say it's all ok
Nothing to talk about
But it's killing me that you're
Hiding in the background

I know life gets us down
Like we're a rolling dice
Just know I'll be there
I'll always be there by your side

If you're running in circles
With nowhere to go
And feel lost and afraid
But you can't let it show

Don't say you're ok
I see you're not
Don't say you're ok

Cause everybody needs a little help sometimes
Everybody needs someone to call on
Everybody gets a little lost inside
But it's alright, yeah it's alright
I know it hurts but I swear it gets better
So don't doubt yourself, it don't last forever
Everybody needs a little help sometimes
Everybody needs someone
Everybody needs someone

Everybody needs someone

Oh I don't, I don't know how to help you
If you don't, if you don't wanna let me in
I don't, I don't know what I'm meant to do
So don't be scared to need someone

Cause everybody needs a little help sometimes
Everybody needs someone to call on
Everybody gets a little lost inside
But it's alright, yeah it's alright
I know it hurts but I swear it gets better
So don't doubt yourself, it don't last forever
Everybody needs a little help sometimes
Everybody needs someone
Yeah it's alright
Everybody needs a little help sometimes
Everybody needs someone
