

# Taken By A Stranger

Michael Schulte

She's got knuckle in her eye  
He knows her  
Cat coal  
She can't escape from telling lies  
I heard her sayin'

Hey, mind if I take this chair?  
Hey, mind if I take this chair?

He drops a puss  
She looks annoyed  
But he's so mean  
He thinks she has to be the one

Taken by a stranger  
Stranger things are starting to begin  
Turn into the danger  
Trip me up and spin me round again

You've got some coffee on your collar  
And you forgot to comb your hair  
I can't wait till I do better  
Your hair  
And I don't care

Help it if you like it 'cause I won't be it tomorrow  
None ever told you that you wouldn't be taken

Taken by a stranger  
Stranger things are starting to begin  
Turn into the danger (it's a risky business)  
Trip me up and spin me round again

Ba da da lada dada

Oohooohooo

La la la la

Put the blindfold on his eyes  
He saw her pic through  
Can't imagine her disguise  
I heard her sayin'

Hey, mind if I take this chair?  
Yeah, see if I care

Taken by a stranger  
Stranger things are starting to begin  
Turn into the danger (it's a risky business)  
Trip me up and spin me round again
