

Troublemaker

Michael Schulte

Troublemaker, I can't tame ya
You'll be my last goodbye
Got me on my knees, so pretty pretty please
Just tell me lies, I don't mind

I
I know that I should hide
A million times we've tried
But I can't stop these echoes in my mind
Now it's 2 am, I'm caught up in this feeling
Drunken and sad while staring at the ceiling
Oh my god
Your games are gonna mess me up
'Cause baby you're a

Troublemaker, I can't tame ya
You'll be my last goodbye
Got me on my knees, so pretty pretty please
Just tell me lies, I don't mind

Troublemaker, I can't tame ya
You'll be my last goodbye
Got me on my knees, so pretty pretty please
Just tell me lies, I don't mind

Oh
You make me lose control
Inside your tainted soul
But it's the only place for me to go
Now it's 6 am, you're lying on my pillow
Said it's late, and you can't find a way home
Oh my god
Your games are gonna mess me up
'Cause baby you're a

Troublemaker, I can't tame ya
You'll be my last goodbye
Got me on my knees, so pretty pretty please
Just tell me lies, I don't mind

Troublemaker, I can't tame ya
You'll be my last goodbye
Got me on my knees, so pretty pretty please
Just tell me lies, I don't mind
